OPPORTUNITIES
2025 - AGENDA**

Interaction offers to members and their partners different learning opportunities throughout the year 2025.

AGENDA

Learning lunch is a stand-alone event during lunchtime with a specific topic, every last Tuesday of the month.

Learning series are events in several modules to deep dive in specific topics.

Open space is an informal space where you can bring your questions, specifically on Monitoring Evaluation and Learning (MEL), happening every 2 months.
